– Summer Family Fun Day Saturday 22 June.

Fundraising

The Mother's Day flower sale raised £54.75.

The Easter Fayre raised £303.62 and £10 Eco-committee.

Message from our Chair, James

Hello,

I'm pleased to introduce our first newsletter, from the newly named Friends of Ludham School (FOLS). Our rebrand from the historic PTA we think will show our ambitions to allow more people from Ludham (and beyond!) to be members and partake in our crucial fundraising ambitions.

I'm delighted so many people came to our (mini!) Easter Fayre and I look forward to seeing people at our Summer Fun Day on Saturday 22nd June, for which planning is in full swing! Crucial to the success of this day will be our volunteers, helping to run stalls and coordinate parking, to name a couple of duties. If you have the time we'd be delighted if you could help.

We plan to issue these newsletters at the start of each term, which will provide details of the upcoming FOLS events and opportunities to volunteer. We'll also recap our fundraising for the past term, alongside what we're currently raising funds for!

What we have spent

Funds raised have been spent on Easter eggs, bonnet prizes, books for the library and coaches for trips.

Requests

Any donations of unwanted gifts, soft toys etc would be gratefully received for the Summer Family Fun Day. There is a donation box in reception.

Any volunteers to help with the day or to have a sign advertising the date in their garden would also be wonderful!
