My Family / Autumn

Nursery Knowledge Organiser

Links to N.C. Science, History, Geography

Key objectives **(taught but not limited to)…**

- To talk about themselves and their immediate family
- To sequence family members
- To know where they live e.g. Ludham and explain features of their homes
- To make sense of their own life using family photos
- To discuss and develop an understanding that families are different
- To learn that they have similarities and differences that connect them to, and distinguish them from others
- To talk about how people celebrate things differently to us - Diwali festival
- To use their senses to explore the outdoor environment and natural features
- To explore collections of materials and talk about the changes they notice – cooking
- To introduce the vocabulary for seasons (Autumn)

Key knowledge

- We live in and around the village of Ludham
- We live in different homes
- All families are different
- Some materials can change when they are heated or cooled
- There are environmental changes in Autumn. The weather gets cooler, leaves change colour and fall off trees, animals and birds prepare for the Winter

Key vocabulary	Definition
